Report Received by: _____

Purpose: General Statute 130A-248 requires the Commission for Health Services to adopt rules governing the sanitation of facilities where food or drink is provided or served for pay. 15A NCAC 18A .2604 specified the contents of an inspection form to record the results of inspections made of such facilities. This form is developed to be used in making inspections of restaurants, food stands, drink stands, delicatessens, school lunchrooms, educational food services, commissaries, meat markets, and other similar establishments. **Preparation:** Local environmental health specialists shall complete the form every time an inspection is conducted. Prepare an original and two copies for: 1. Original to be left with the responsible person. 2. Copy for the local health department. 3. Copy for the Environmental Health Services Section. **Disposition:** This form may be destroyed in accordance with Standard-8 B.6. Inspection Records, of the Records Disposition Schedule, published by the N.C. Division of Archives and History. **Additional forms may be ordered from:** Division of Environmental Health, 1632 Mail Service Center, Raleigh, NC 27699-1632 (Courier 52-01-00)
