Statement from Mike McNair, Franklin Regional Medical Center, regarding collaboration with Centers for Medicare & Medicaid Services (CMS)

Below is a statement from Mike McNair, CEO of Franklin Regional Medical Center (FRMC):

“The committed hospital and medical staff of Franklin Regional Medical Center continues to work with CMS on our corrective action plans for quality service here at FRMC. We will continue to work diligently to satisfy their requirements.

“Our mission remains the same to provide quality healthcare to our patients. We have been and continue to focus our corrective actions on the issues identified in the survey process.

“The hard work of our staff and physicians in addressing these concerns will assure that Franklin Regional continues to maintain the best care for our patients.”

Franklin Regional Medical Center is a Joint Commission Accredited, 70 bed, acute care hospital located in Louisburg, N.C., just 30 minutes from Raleigh, which offers the latest in medical technology and the best in individualized patient care. Franklin Regional Medical Center’s Emergency Department features the region’s only 15- minute Emergency Room guarantee.
