

Did you know ...

One female cat and her offspring can produce 420,000 cats within seven years.

One female dog and her offspring can produce 67,000 dogs within seven years.

There aren't enough homes for them all.

Snowflake Animal Rescue is a non-profit, tax-exempt, all volunteer rescue group that takes in dogs and cats that have been abandoned, abused, or neglected.

We provide food, shelter, love, and veterinary care for these animals until we can match them to a loving and permanent home.

Please do your part to reduce pet overpopulation in North Carolina—**spay or neuter your pets!**
