Dear Parent/Guardian:

I wanted to provide you with information about something that happened at school today.

About 15 students were involved in an altercation outside the school building entryway near the media center at the start of school this morning. The altercation ended within a matter of minutes. Our school resource officer and some of our faculty arrived on the scene. The school resource officer detained the students involved as the bell rang and students went to class.

We've had two students involved in the altercation report minor injuries – one had a cut to the back and another had a hand injury. They received treatment for their injuries.

We greatly appreciate the quick response of law enforcement and school system security, who quickly handled the incident.

Police are investigating the incident to determine any criminal charges. In addition, we are investigating to determine violations of school board policy.

I want to assure you that our first concern is the safety and welfare of our students. We will continue to take every measure to ensure student safety.

Thanks for your continued support of our school.

Sincerely,
