Dear Sharon,

Hi! How are you doing? Fine I do hope.

Well as for myself, I'm doing OK now since I've last talk to you. Listen, I just want to be sure you'll do as you said, that you will be at my every trial, speaking on my behalf, I would feel alright if you & your partner would be there for me. Now when will I be going to court? Do you feel that I would receive the Death sentence? Can you please ask the news people not to print nor mention ANYTHING about my health condition. Can you also promise me that ya'll will protect me in court, just to make sure no one would jump me from behind cause there will be a lot of ANGRY people inside that court room. I did as I said, the case is over for Greg & Johnny, now please Sharon stick to your promise to me. And not to forget to get me to see a doctor OK. When will I get to speak to my lawyers, well Sharon, I hope to hear from you soon since I'm NOT able to call you unless you contact these people and tell <sup>them</sup> that I can call collect from their phones I want us to keep in contact OK.

Sincerely

Craig Taylor

Dear Sharon,

I just recieved your letter AND I'm not understanding it. Now in order for Greg Taylor case finally to be heard by the Commission is due to the fact that you got all the information from me AND my confession, cause you said it yourself that I did the right thing AND by me doing that how is it that I won't be charged for Jacquetta murder, that right there I don't understand. Now you told me that you have some pull, CAN you please make contact with someone to have me transferred to CALEDONIA prison I've already has a transfer in to go there I just WANT the process to speed up I would really truly appreciate it very much. Tell Greg that I'm very sorry that he had to spend 16 years in prison for a crime he's never committed, I can't make up for the 16 years he's lost, but thanks to my confession he has a new start at freedom AND he has every right to be ANGRY & upset with me I don't blame him one bit. Whoever that Detective is you had talked too AND he said he was coming to see about some cold case that I might be involved, tell him he may want to come on while I'm in the mood of confession.

Sincerely

Craig Taylor
