5/27/2010 23:57 Not to worry I knew all of this 30 days ago.
5/27/2010 23:58 Why confused?

5/28/2010 0:01 Well one thing about you that is an awesome quality is I can read u so easy because your eyes and smile are so damnwhat
5/28/2010 0:02 No
5/28/2010 0:04 Ok and I can only speak for me you can't hide your true feelings. Your eyes and smile tell the whole story.
5/28/2010 0:04 Some people are so hard to read. Thay are liars or fake. They may get me once but eventually you figure it out.
5/28/2010 0:06 No I'd bust you in a sec
You read me pretty quick. I think after about 2 weeks I had you smiling. And the day I told you were my Secretary your
5/28/2010 0:08 whole just got the biggest smile. I noticed. I was looking for your response.
5/28/2010 0:10 Ok so I nailed it right.

5/28/2010 0:34 I have seen the walls but I know why.
5/28/2010 0:35 I do and I also know how you really feel.
5/28/2010 0:37 Lol yea but that is what was so sweet. Even w-- picked up on that.
5/28/2010 0:37 Yes really!
5/28/2010 0:39 And that is the reason the walls are involved?
5/28/2010 0:43 When was the last time someone read you like this
5/28/2010 0:44 Someone that new your true deep feelings?
5/28/2010 0:44 Never
5/28/2010 0:44 ????

5/28/2010 0:49 I think I do know your true feelings.
5/28/2010 0:50 At least from what I see when I look at you because you damn sure aint gonna say nothing.

5/28/2010 1:01 It is not going to change anything
P---- I'm in your head. Love is such a big word with so many things attached. I think you really struggle with that. I think u
5/28/2010 1:06 can luv someone on different levels and maybe over time the levels increase. Want me to go on?
5/28/2010 1:07 Want more?
5/28/2010 1:11 It is funny u used the heart but then said but I don't luv u.
5/28/2010 1:12 I think you like being behind the wall if things make you question your feelings.
5/28/2010 1:13 And that is just human nature.
5/28/2010 1:14 Dang this some deep convo
5/28/2010 1:16 You r so funny.
