4/24/2010 22:17 I just read it. Sounds like the gov's office wants to fire him?!?

4/24/2010 22:18 Pam- it aint good. This is how it goes you are seeing more now how it works behind the scenes. Not good for him. These

4/24/2010 22:20 K...a trooper doing the same thing would have already been fired...right? Just my opinion.

4/24/2010 22:22 No believe it or not this is unfolding the same way. Some say that but I'm telling you that is not true. I don't think he will

4/24/2010 22:23 Yea, I think he's done.

4/24/2010 22:23 It would be UGLY if he stays!

4/24/2010 22:24 No he will not in my opinion to much controversy. A trooper would have been treated the same way.

4/24/2010 22:26 So ur saying he probably won't get fired? ...just a disclaimer...u don't have to answer questions like this if it compromises

4/24/2010 22:27 You are so funny. :D

4/24/2010 22:28 Yep! I read it!

4/24/2010 22:29 You are not spelling too good either. :)

4/24/2010 22:29 I do not think he will survive it. :(

4/24/2010 22:30 I need my nails done...I keep hitting the wrong lil keys.
