Description of Crimes

Murder G.S. 14-17

Probable Cause Affidavit

I, Detective Z.A. Morse have been a Law Enforcement Officer with the Raleigh Police Department for 15 years and 9 months. I am currently assigned to the Homicide Unit of our detective division. The primary types of cases I am assigned are death investigations. I have received training in crimes through the North Carolina Justice Academy, Raleigh Police Department's Academy, and regularly scheduled in-service training sessions dealing with laws of arrest, search and seizure, interviewing, the preparation of a search warrant and criminal investigation. I have conducted investigations that have led to the arrest and conviction of individuals for violations of North Carolina general statutes. I have obtained and executed numerous search warrants in the past that have led to the arrest and conviction of suspects.

The Raleigh Police Department is currently investigating the murder of Laura Ackerson. Probable cause has been established that resulted in the arrest of Amanda Hayes w/f/4-8-72 being charged with the murder of Laura Ackerson. During the course of the ongoing investigation it has been determined that the body of Laura Ackerson was transported by Amanda Hayes to Texas where the dismembered body of Laura Ackerson was discovered. The travel of Amanda Hayes has been determined by phone records and witness statements. Obtaining these records will enable Detectives to determine Amanda Hayes's purchases, location of the purchases, specific items purchased that may have been used during the commission of the crime being investigated and potentially identify additional witnesses.

Conclusion

Due to the aforementioned information, it is believed that evidence of the above possibly exists within the above described data contained within this account. Therefore, I respectfully request that a search warrant be issued for the above listed account to recover any evidence related to this murder investigation.
