Probable Cause Affidavit

I, Detective Z.A. Morse have been a Law Enforcement Officer with the Raleigh Police Department for 15 years and 9 months. I am currently assigned to the Homicide unit of our investigative division. The primary types of cases I am assigned are death investigations. I have received training in crimes through the North Carolina Justice Academy, Raleigh Police Department's Academy, and regularly scheduled in-service training sessions dealing with laws of arrest, search and seizure, interviewing, the preparation of a search warrant and criminal investigation. I have conducted investigations that have led to the arrest and conviction of individuals for violations of North Carolina general statutes. I have obtained and executed numerous search warrants in the past that have led to the arrest and conviction of suspects.

On July 19, 2011 the Raleigh Police Department began to investigate the disappearance of Laura Alkerson who was last seen at 4021-322 Bella Park Tr. Raleigh, NC. This address is within the city limits of Raleigh, NC and falls in the jurisdictional boundaries of the Raleigh Police Department. The investigation revealed that the victim had been murdered. Therefore, this case is being investigated as a homicide.

FOR SEARCH WARRANT BY: <http://www.facebook.com/granthazemusis>

Detective Z.A. Morse
Date: 7/27/11

On July 24, 2011 probable cause was established for the issuance of arrest warrants for Grant Hayes b/m/4-30-79 for the offenses of murder in regards to this investigation. Those warrants were served the same day and Grant Hayes was arrested for murder. During the course of the investigation the victim's computer was seized from her residence in Kinston, NC. Also, during the course of the investigation it was determined that Grant Hayes has used the alias "Grant Haze", this was evident by his "Facebook" page and his personal internet site.

From my own personal experience, and the information provided to me by RPD Computer Forensic Technician, Courtney M. Tremul, I know that users of e-mail accounts and social networking sites often save and communicate information and examinations have revealed data or information that connected the e-mails and social networking sites to criminal activity.

Therefore it is my opinion that a search of the Facebook account referred to above may reveal evidence related to the murder of Laura Ackerson. This evidence may include the following:

1. Digital e-mails that show communication with others that discuss the murder of Laura Ackerson.

2. Any other communications, graphical images, documents or email files which may refer to Laura Ackerson in anyway.

3. Any other e-mail or electronic media which could reveal planning or motivation for the murder of Laura Ackerson or which could reveal planning, or motivation for future crimes that are similar in nature.

4. Any other e-mails or electronic information that could be deemed related to the offenses mentioned above.

As a result I am requesting that this search warrant be issued authorizing the search of the Facebook account belonging to <http://www.facebook.com/granthazemusis>
Grant Hayes b/m/4-30-79.
