

The Downtown Sports Bar

In reference to accusations from Mr. Wall; Here is our statement.

Mr. Wall was not roughed up or improperly treated.

Mr. Wall was not the subject of racial discrimination.

This business did not violate NC ABC Law; this business does limit the use to members and bona fide guests as required by NC ABC Law.

Mr. Wall was ultimately asked to leave because he was not a member or guest.

Mr. Wall apparently took advantage of a crowded door situation and a distraction to enter the premises after being told by staff that he could not enter without being a member or bona fide guest of a member.

Sincerely;

The Downtown Sports Bar
