Important Update from the Senior Pastor

Dear Brothers and Sisters in Christ,

Since our letter two days ago, we have learned that some of the parameters put in place with Don Cameron were not completely followed.

As of today, Don will not be able come to our physical property at Church of the Apostles, however we will continue to minister to Don off-site. I will still be available Sunday at 5pm in the sanctuary to answer any questions.

In the grace and truth of Jesus,

Patrick
