

Your Honor,

Thank you for the opportunity to reassess the verdicts.

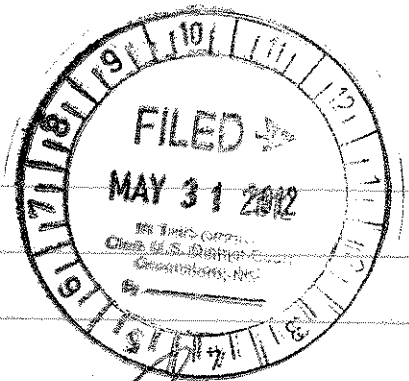

After 9 days of deliberation, we were confident in the integrity of the process and the effort and diligence in our conclusions.

The jury has exhausted every aspect we believe that could shed light on the evidence to produce a verdict.

Your instructions enabled this jury to discuss the evidence, and make the best determinations possible.

We have asked ourselves this question, and do not believe a different verdict will be reached.
