Parks Bond Projects

On May 6, 2014 the Raleigh City Council voted unanimously to approve a new Parks, Recreation and Cultural Resources System Plan. The System Plan process included over 16 months of public input from across Raleigh. The new Plan guides the development and delivery of the City's parks and recreation services, facilities and programs over the next 20 years. The projects in the 2014 Raleigh Parks Bond referendum reflect many of the highest priority needs identified in the System Plan including investing in the existing City of Raleigh's parks, recreation and cultural system. Additional projects focus on developing new facilities and opportunities that address future growth of the city and expanding needs and desires of residents.

If Approved by Voters

- **A 1.72-cent increase in Raleigh's property tax rate would go into effect July 1, 2015.**
Example: Owner of a \$150k home would pay about \$25 more a year
Owner of a \$300k home would pay about \$51 more a year
- **Projects will be implemented in phases over the next 5-7 years. The first phase of projects would begin Fall 2015**

Official Ballot Language to Appear on Nov. 4 Ballot

Shall the order adopted on July 15, 2014, authorizing not exceeding \$91,775,000 PARKS AND RECREATIONAL FACILITIES BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for improving and expanding the existing parks and recreational facilities of said City and acquiring and constructing new parks and recreational facilities of said City, inside and outside the corporate limits of said City, including, without limitation, the acquisition of land and rights of way and the furnishing of incidental facilities and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved?
