Dear Mr. Moya:

This Office represents the North Carolina Department of Agriculture and Consumer Services (hereinafter, "NCDACS") and this letter is written in that capacity.

We recently received information from NCDACS concerning misbranded meat products that you transported, stored, offered for sale and sold to the general public. Specifically, the NCDACS investigation found approximately 10 lbs. of misbranded meat products with no NCDA or USDA mark of inspection or required labeling. In a signed statement dated March 23, 2009, you admitted that you purchased fresh pork sausage packaged in white styrofoam trays with county inspection labels from International Foods in Raleigh, NC. You further admitted that you transported the meat product back to your retail store and placed it in your retail cooler for sale to your retail customers for approximately two weeks. Your store does not operate under count, state or federal inspection.

Please be advised that the sale of misbranded and/or uninspected meat is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and criminal penalties. Please understand that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or uninspected meat products, the NCDACS will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary.

Sincerely,

Anne J. Brown  
Special Deputy Attorney General
