An Apology from the North Carolina Republican Party to Jimmy Love, Sr.

In late October, 2010 the North Carolina Republican Party distributed a mailer in connection with the contest for the North Carolina House seat in District 51 that accused former Representative Jimmy Love of having abused the power of his office in connection with the North Carolina Department of Transportation's purchases of two tracts of land for a road project. The mailer said Mr. Love had "pocketed" taxpayer money and made a "huge profit" at taxpayer expense.

The accusations made against Mr. Love in the mailer were unjustified and the facts stated in support of the accusations were false. Accordingly, the North Carolina Republican Party hereby retracts the statements made in the mailer, apologizes to Mr. Love, and expresses its sincere regret for any distress or embarrassment caused to Mr. Love, his family, or his supporters.
