

RESPECT AND PROTECT THE VOTE RALEIGH RALLY

Wednesday, July 13, 2011 • 11:00 AM
NC General Assembly Building
16 W. Jones St. • Raleigh, NC

The General Assembly convenes again on July 13th and GOP leaders have announced they will try to override Gov. Perdue's veto of the voter ID bill, eliminate Same Day Registration, slice a week off Early Voting, end straight-ticket voting and eliminate successful public financing programs. Meanwhile, redistricting of voting districts is underway – and the stakes are huge! We can't stop now. Take a stand for democracy:

Join us in Raleigh on July 13th

PLEASE wear RED to the rally. Why? Because we're SEEING RED over these blatant attempts to suppress voter turnout in North Carolina!
