

HAPPY HOLIDAYS FROM NORTH CAROLINA STATE PARKS

December 2011

Dear Park Visitors and Guests,

Thank you for using the centralized reservation system for North Carolina State Parks. We hope that you enjoyed your stay and you will return next year. We strive to make continual improvements for the public while maintaining our commitment to environmental education and conservation.

To enhance your experience, please consider the new North Carolina state park system mobile application, called the "Pocket Ranger," available at www.stateparkapps.com/apps/nc/apps.php.

For North Carolinians, a state parks license plate is an excellent way to show your support for the parks system. Please consider joining the thousands of others who have shown their support for the North Carolina state park system and for land conservation via the license plate purchase. Purchase information may be found on our website.

Don't forget to keep up with our latest news by "liking" our [Facebook page](#) or visiting [our website](#).

The North Carolina state parks staff would like to wish you a joyous holiday season, filled with warmth and wonderful moments shared with friends and family. Best wishes for the New Year.
