Re: Robocall by the Dan Forest Committee

Dear Mr. Anderson:

I have been contacted by a number of persons who have received a robocall from the Dan Forest Committee. I am in possession of a recording of that robocall, which is in violation of N.C.G.S. § 75-104, in that recipients of the call are not provided with any contact information from which they could request of the Forest Committee that it add the caller to a do-not-call list. Many democrats who received this call wish to request that they not be called again by the Forest Committee.

I will appreciate it if you will take immediate action to instruct the Forest Committee of its obligations under the law and initiate any proceeding that your office deems appropriate.

Sincerely,

Tammy Brunner, Interim Executive Director
North Carolina Democratic Party
