Dear Ms. Strach and Mr. Wright,

I just received this from my client relating to the complaint just filed. As you can ascertain, this matter continues to escalate. We ask for immediate review of these actions and the printed media being utilized.

“I called your office [NCAE] and got your email. Attached is a photo of an election piece basically claiming your organization supports Tom Murray and others, which according to your website, you do not. I received this from 3 volunteers outside of the Carpenter Elementary polling location off Morrisville Pkwy. 3 volunteers dressed in red shirts that said “we support teachers” were handing them out. According to the back, it was paid for by the NC Healthy Leadership Committee (ie. Tom Murray's campaign).”

Regards,

Michael Weisel
