RE: Compliance with Section 7 of the National Voter Registration Act
(“NVRA”).

I am in receipt of your letter regarding compliance under the NVRA. I share your concern that North Carolina complies fully with voter registration requirements, and I look forward to investigating the issues you raised and taking appropriate action.

My office is committed to working with your respective organizations to ensure voter registration opportunities are widely available at public assistance agencies across our state.

Sincerely,

Kim Strach
Executive Director, State Board of Elections
