Senator Ralph E. Hise, Jr.
North Carolina General Assembly
State Legislative Building
16 West Jones Street, Room 1026
Raleigh, NC 27601-2808

Dear Senator Hise:

In response to your letter dated December 2, 2015, I wanted to make you aware that today I have sent letters to the Correctional Peace Officers Foundation as well as the North Carolina Association of Educators requesting information regarding their membership counts. I asked that the information be sent to State Auditor Beth Wood or to me by February 1, 2016, to ensure these groups are eligible for the payroll deduction program as outlined by legislation.

Attached please find the letters to both the Correctional Peace Officers Foundation as well as the North Carolina Association of Educators.

Sincerely,

Linda Combs
