Re: Evaluation of Statement of Economic Interest for Mr. John E. Skvarla, III
Secretary, Department of Commerce

Dear Governor McCrory:

Our office is in receipt of **Mr. John E. Skvarla, III's** 2014 Statement of Economic Interest as your appointee as the Secretary of the **Department of Commerce ("the Department")**. We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act.

We did not find an actual conflict of interest, but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.

The State Government Ethics Act establishes ethical standards for certain public servants, including conflict of interest standards. N.C.G.S. §138A-31 prohibits public servants from using their positions for their financial benefit or for the benefit of a member of their extended family or a business with which they are associated. N.C.G.S. §138A-36(a) prohibits public servants from participating in certain official actions from which the public servant, his or her client(s), a member of the public servant's extended family, or a business or non-profit with which the public servant or a member of the public servant's immediate family is associated may receive a reasonably foreseeable financial benefit.

Mr. Skvarla will fill the role of Secretary of the Department. He disclosed that he receives threshold amounts of income from multiple companies. These companies could seek to conduct business with the Department. As such, he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should any of these entities come before him in his official capacity.

In addition to the conflicts standards noted above, N.C.G.S. §138A-32 prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).
