

Harry Reynolds

Vice President & Information Compliance Officer

**BlueCross BlueShield
of North Carolina**

Harry Reynolds is a Vice President and Information Compliance Officer at BlueCross BlueShield of North Carolina (BCBSNC). Harry has thirty years of experience in the technology and health care areas.

He started his career with IBM, worked at two large teaching hospitals (Ohio State University and the University of North Carolina-Chapel Hill) and has been with BCBSNC for the last 28 years.

Harry has managed all aspects of information technology at BCBSNC, as well as managing a \$500 million business unit that served 450,000 customers. He currently is responsible for administration and planning for information systems, including the coordination of enterprise-wide compliance projects.

Harry currently serves as Chair on the National Committee for Vital Health Statistics (NCVHS) and Chair of the Council for Affordable Quality Healthcare (CAQH) Core Initiative.
