Nancy,
Attached please find a draft agreement. There are a number of blanks that need to be filled in, including the amount of alimony and the amount of any distributive award you may receive. I know we had discussed \$50,000, but couldn't remember if you wanted that to come off the top or after all debts were paid. As you can see, we have the debts being paid and you receiving the remaining proceeds. Let's talk tomorrow afternoon if you are available. Thanks.
Alice
