

Vance County Schools

We are aware of the incident that occurred at Vance County Middle School involving a school resource officer. We are deeply concerned by the actions that took place. School and district officials are working closely and in full cooperation with the local authorities to address this matter consistent with school board policy and state laws. The safety of our students has been and continues to be of the utmost importance to our district. Should you have further questions, please direct those to the Vance County Sheriff's Office.
