DECLARATION OF AN ORANGE COUNTY STATE OF EMERGENCY
TO ORDER THE PUBLIC TO STAY AT HOME IN ORDER TO SLOW
THE FURTHER SPREAD OF COVID-19

WHEREAS, the novel coronavirus disease-2019 (COVID-19) is a disease spreading across the
globe causing flu-like symptoms, but with a significantly higher rate of death, particularly among
those who are elderly or medically vulnerable; and

WHEREAS, the first COVID-19 case detected in the United States on January 21, 2020, and the
first case was confirmed in North Carolina on March 3, 2020; and

WHEREAS, on January 31, 2020, Health and Human Services Secretary, Alex M. Azar, II,
declared COVID-19 to be a public health emergency in the United States; and

WHEREAS, on March 10, 2020, in order to address and mitigate the threat of COVID-19 to
vulnerable populations and to slow the spread of COVID-19 in North Carolina, Governor Roy Cooper
declared a state of emergency in North Carolina; and

WHEREAS, on March 13, 2020, Orange County and the Towns of Carrboro, Chapel Hill, and
Hillsborough declared states of emergency; and

WHEREAS, on March 13, 2020, President Trump declared the COVID-19 pandemic to be a
national emergency; and

WHEREAS, the North Carolina General Assembly has adopted Article 1A of Chapter 166A of
the General Statutes, entitled “North Carolina Emergency Management Act”, which sets forth the
authority and responsibility of the Governor, State agencies, and local governments in prevention of,
preparation for, response to, and recovery from natural or man-made emergencies; and
WHEREAS, G.S. §166A-19.22, which is part of the North Carolina Emergency Management Act, authorizes cities to declare a state of emergency under conditions and following procedures contained in G.S. §166A-19.22; and

WHEREAS, in Orange County, the powers to declare a state of emergency have been delegated to the Chair of the Board of Commissioners in accordance with G.S. §166A-19.22(a), and in Article II of Chapter 14 of the Orange County Code of General Ordinances; and

WHEREAS, since execution of the March 13, 2020 Declaration of a State of Emergency and over the week prior to the execution of this March 25, 2020 Declaration of a State of Emergency (“Declaration”) the number of individuals testing positive for COVID-19 has continued to increase in Orange County from 0 confirmed cases on March 18th to 13 confirmed cases on March 25th; and

WHEREAS, since execution of these proclamations, the neighboring City of Durham continues to confirm new cases of the virus every day, and Durham County Health Officials indicate that as of March 24, 2020, there are 70 cases that have been identified in the County of Durham with roughly 8% of those cases now attributable to community spread, and the vast majority of those cases actually located within the City’s jurisdictional boundaries, that Wake County has indicated it has 67 cases, that Chatham County has 6 confirmed cases, Alamance County has 2 confirmed cases, and Person County has indicated 1 confirmed case; and

WHEREAS, there is substantial travel between Orange County and the above-referenced communities that could lead to increased COVID-19 cases in Orange County; and

WHEREAS, neither the restrictions imposed by the Declaration, nor increasing recommended and mandatory restrictions imposed by the Governor and the President of the United States, have slowed the growth in the incidence of COVID-19 within Orange county, adjacent cities and counties, or in the State of North Carolina; and

WHEREAS, in areas battling COVID-19, there is a severe shortage of medical supplies for health care workers and basic equipment to help the public avoid transmitting the disease; and

WHEREAS, the Public Health Director of Orange County has determined it is essential to slow the community spread of COVID-19, that a Stay at Home order is critical to and will aid in slowing community spread, that such an order will provide relief to UNC Hospitals by limiting a surge in COVID-19 cases and reducing the number of new cases requiring treatment and hospitalization, that such an order will further protect the public health and welfare, and that such an order is both reasonable and necessary to remediate these critical issues; and
WHEREAS, the Emergency Services Director of Orange County has determined that the healthcare system in Orange County could be overwhelmed, that the greater the number of possible COVID-19 cases the greater the need for personal protective equipment, of which there is a shortage throughout the nation, that the risk of exposure to first responders, medical providers, law enforcement officers increases with the risk of community spread of COVID-19, and that a Stay at Home order is both reasonable and necessary to remediate these critical issues; and

WHEREAS, many individuals who contract the virus display no symptoms or have mild symptoms which means they may not be aware they carry the virus. People without symptoms can transmit the disease and because evidence shows the disease is easily spread, mass gatherings can result in further transmissions of the virus; and

WHEREAS, as a result of this ongoing public health emergency, if further action is not taken to slow the spread of COVID-19 within Orange County, there is an imminent threat of, or existing conditions have caused or will cause, widespread or severe damage, injury, or loss of life or property, and public safety authorities may be unable to maintain public order or afford adequate protection for lives or property;

WHEREAS, the undersigned has determined that the additional restrictions and prohibitions identified below are necessary to slow the rate of the spread of COVID-19 and are the least restrictive based upon the current evidence; and

WHEREAS, in addition to consulting with the Public Health Director, the Emergency Services Director, and the Sheriff of Orange County the undersigned has consulted with the Mayors of Carrboro, Chapel Hill, and Hillsborough (hereafter the “Towns”) and been informed that the Mayors are in support of this order to Stay at Home and intend to adopt same to be applicable within the jurisdictions of each Town.

NOW THEREFORE IT IS DECLARED THAT, the above recitals are incorporated herein and the following outlines a “Stay at Home” Order, which is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue to slow the spread of COVID-19 to the maximum extent possible.

Section 1. The previously ordered Declaration of State of Emergency in Orange County on March 13, 2020 will continue in full force and effect.
Section 2. The emergency area for this Declaration is the territorial area of Orange County including the Towns situated within Orange County.

Section 3. North Carolina General Statute 166A-19.31 and Article II of Chapter 14 of the Orange County Code of General Ordinances authorizes Orange County to enact a variety of restrictions and prohibitions as this evolving situation warrants.
