Dear Mr. Nlewedim:

This Office represents the North Carolina Department of Agriculture and Consumer Services (hereinafter, "NCDACS") and this letter is written in that capacity.

We recently received information from NCDACS concerning misbranded meat and poultry products which you stored, offered for sale and sold to the general public. Specifically, the NCDACS investigation found approximately 92 pounds (35 bags) of cow skins, cow feet, beef meat, ox tails, goat meat, turkey and chickens with no marks of inspection or required labeling. In a signed statement dated March 4, 2009, you admitted that for the past three months you have purchased meat and poultry products in large boxes (containing small individual bags of products) bearing a USDA mark of inspection from Spectrum Foods in Landover MD. You further admitted that you removed the individual bags of mislabeled products and placed the products into your retail freezer, without the benefit of a NCDA or USDA mark of inspection, for your customers to purchase.

Please be advised that the sale of misbranded and/or uninspected meat is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and criminal penalties. Also be advised that the sale of misbranded and/or uninspected poultry products is a violation of N.C.G.S. §106-549.56 with criminal penalties. Please understand that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or uninspected meat products, the NCDACS will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary.

Sincerely,

*Anne J. Brown*  
Anne J. Brown  
Special Deputy Attorney General
