12 "**§ 14-409.40. Statewide uniformity of local regulation.**

13 (a) It is declared by the General Assembly that the regulation of firearms is properly an
14 issue of general, statewide concern, and that the entire field of regulation of firearms is
15 preempted from regulation by local governments except as provided by this section.

16 (a1) The General Assembly further declares that the lawful design, marketing,
17 manufacture, distribution, sale, or transfer of firearms or ammunition to the public is not an
18 unreasonably dangerous activity and does not constitute a nuisance per se and furthermore, that
19 it is the unlawful use of firearms and ammunition, rather than their lawful design, marketing,
20 manufacture, distribution, sale, or transfer that is the proximate cause of injuries arising from
21 their unlawful use. This subsection applies only to causes of action brought under subsection
22 (g) of this section.

23 (b) Unless otherwise permitted by statute, no county or municipality, by ordinance,
24 resolution, or other enactment, shall regulate in any manner the possession, ownership, storage,
25 transfer, sale, purchase, licensing, taxation, manufacture, transportation, or registration of
26 firearms, firearms ammunition, components of firearms, dealers in firearms, or dealers in
27 handgun components or parts.

28 (c) Notwithstanding subsection (b) of this section, a county or municipality, by zoning
29 or other ordinance, may regulate or prohibit the sale of firearms at a location only if there is a
30 lawful, general, similar regulation or prohibition of commercial activities at that location.
31 Nothing in this subsection shall restrict the right of a county or municipality to adopt a general
32 zoning plan that prohibits any commercial activity within a fixed distance of a school or other
33 educational institution except with a special use permit issued for a commercial activity found
34 not to pose a danger to the health, safety, or general welfare of persons attending the school or
35 educational institution within the fixed distance.

36 (d) No county or municipality, by zoning or other ordinance, shall regulate in any
37 manner firearms shows with regulations more stringent than those applying to shows of other
38 types of items.

39 (e) A county or municipality may regulate the transport, carrying, or possession of
40 firearms by employees of the local unit of government in the course of their employment with
41 that local unit of government.

42 (f) Nothing contained in this section prohibits municipalities or counties from
43 application of their authority under G.S. 153A-129, 160A-189, 14-269, 14-269.2, 14-269.3,
44 14-269.4, 14-277.2, 14-415.11, 14-415.23, including prohibiting the possession of firearms in
45 public-owned buildings, on the grounds or parking areas of those buildings, or in public parks
46 or recreation areas, except nothing in this subsection shall prohibit a person from storing a
47 firearm within a motor vehicle while the vehicle is on these grounds or areas. Nothing
48 contained in this section prohibits municipalities or counties from exercising powers provided
49 by law in states of emergency declared under Article 1A of Chapter 166A of the General
50 Statutes.

1 (g) The authority to bring suit and the right to recover against any firearms or
2 ammunition marketer, manufacturer, distributor, dealer, seller, or trade association by or on
3 behalf of any governmental unit, created by or pursuant to an act of the General Assembly or
4 the Constitution, or any department, agency, or authority thereof, for damages, abatement,
5 injunctive relief, or any other remedy resulting from or relating to the lawful design, marketing,
6 manufacture, distribution, sale, or transfer of firearms or ammunition to the public is reserved
7 exclusively to the State. Any action brought by the State pursuant to this section shall be
8 brought by the Attorney General on behalf of the State. This section shall not prohibit a
9 political subdivision or local governmental unit from bringing an action against a firearms or
10 ammunition marketer, manufacturer, distributor, dealer, seller, or trade association for breach
11 of contract or warranty for defect of materials or workmanship as to firearms or ammunition
12 purchased by the political subdivision or local governmental unit.

13 (h) A person adversely affected by any ordinance, rule, or regulation promulgated or
14 caused to be enforced by any county or municipality in violation of this section may bring an
15 action for declaratory and injunctive relief and for actual damages arising from the violation.
16 The court shall award the prevailing party in an action brought under this subsection reasonable
17 attorneys' fees and court costs as authorized by law."

18 **SECTION 13.** Article 53B of Chapter 14 of the General Statutes is amended by
19 adding a new section to read:

23 officer necessary under federal law for the approval of the application to
24 transfer or make a firearm.

25 (2) Chief law enforcement officer. – Any official the United States Bureau of

28 certification for the transfer or making of a firearm.

29 (3) Firearm. – Any firearm that meets the definition of firearm in 26 U.S.C. §
30 5845.

31 (b) When a chief law enforcement officer's certification is required by federal law or
32 regulation for the transfer or making of a firearm, the chief law enforcement officer shall,
33 within 15 days of receipt of a request for certification, provide the certification if the applicant
34 is not prohibited by State or federal law from receiving or possessing the firearm and is not the
35 subject of a proceeding that could result in the applicant being prohibited by State or federal
36 law from receiving or possessing the firearm. If the chief law enforcement officer is unable to
37 make a certification as required by this section, the chief law enforcement officer shall provide
38 the applicant with a written notification of the denial and the reason for the denial.

39 Nothing in this section shall require a chief law enforcement officer to make a certification
40 the chief law enforcement officer knows to be untrue, but the chief law enforcement officer
41 may not refuse to provide certification based on a generalized objection to private persons or
42 entities making, possessing, or receiving firearms or any certain type of firearm the possession
43 of which is not prohibited by law.

44 (c) An applicant whose request for certification is denied may appeal the decision of the
45 chief law enforcement officer to the district court of the district in which the request for
46 certification was made. The court shall make a de novo review of the chief law enforcement
47 officer's decision to deny the certification. If the court finds that the applicant is not prohibited
48 by State or federal law from receiving or possessing the firearm, is not the subject of a
49 proceeding that could result in the applicant being prohibited by State or federal law from
50 receiving or possessing the firearm, and that no substantial evidence supports the chief law
51 enforcement officer's determination that the chief law enforcement officer cannot truthfully

1 make the certification, the court shall order the chief law enforcement officer to issue the
2 certification and award court costs and reasonable attorneys' fees to the applicant.

3 (d) Chief law enforcement officers and their employees who act in good faith are
4 immune from liability arising from any act or omission in making a certification as required by
5 this section."

6 **SECTION 14.** G.S. 14-415.15(a) reads as rewritten:

9 concerning the mental health or capacity of the applicant, the sheriff shall either issue or deny
10 the permit. The sheriff shall make the request for any records concerning the mental health or
11 capacity of the applicant within 15 days of receipt of the items listed in G.S. 14-415.13. A
12 permit shall not be denied unless the applicant is determined to be ineligible pursuant to
13 G.S. 14-415.12.

14 The sheriff may conduct any investigation necessary to determine the qualification or
